National Reconciliation Week – Now More Than Ever

I thank staff and students for their commitment to National Reconciliation Week. At the heart of reconciliation is the relationship between the broader Australian community and Aboriginal and Torres Strait Islander peoples. To foster positive race relations, our relationship must be grounded in a foundation of truth. Aboriginal and Torres Strait Islander peoples have long called for a comprehensive process of truth-telling about Australia's colonial history. Our nation's past is reflected in the present, and will continue to play out in future unless we heal historical wounds.

National Reconciliation Week, 27 May to 3 June, is a time for us all to learn about our shared histories, cultures, and achievements, and to explore how each of us can contribute to achieving reconciliation in Australia. For the work of generations past, and the benefit of generations future, we are invited to create a more just, equitable and reconciled country for all.

The National Reconciliation Week theme for 2024, Now More Than Ever, is a reminder to all of us that no matter what, the fight for justice and the rights of Aboriginal and Torres Strait Islander people will —and must —continue. Reconciliation supporters are called to stand up to defend and uphold the rights of First Nations peoples. To call out racism wherever we encounter it, and to actively reinforce the voices of Aboriginal and Torres Strait Islander peoples across this continent.

Now more than ever, the work continues, whether it be in treaty making, in truth-telling, in understanding our history, in education, and in tackling racism. We need connection, respect, action and change. Now more than ever, we need reconciliation.

Timor Leste Charity Ball – Be More, Not Want More

Once again, as part of the Timor-Leste fundraising, we will be holding a Charity Ball this Friday evening, 31 May. The Charity Ball is an opportunity for students in Year 11 and 12 to join together for a night of socialising and dancing at the City Hall – Main Corner while raising much needed funds and awareness for our closest neighbours in Timor-Leste.

Life in Timor Leste is very different to the abundance we enjoy. To embrace the concept of the Charity Ball students are encouraged to donate back money that they saved on their outfit, hair, make up etc. There will a collection box at the entrance for students to make this cash donation if they wish to do so. Secondly, an auction of goods and services will be held on the night, which will be a lot of fun. These will be auctioned for a small monetary amount. Students will not be required to bring cash for this auction, as the winning bidders will have the opportunity to pay at a later date.

We encourage families to have a discussion with their young person, and as much as we want students to look their best, we are hopeful that students will be mindful that in Timor \$50.00 can feed a family of four for a month. If you are purchasing your outfit please consider how many people this would feed in Timor and purchase or borrow thriftily. Conversations around clothes, hair, makeup, corsages and similar could be on the amount saved (and possibly donated) rather than the amount spent.

37th Annual Cardijn Exchange

We look forward to the 37th Annual Cardijn College Exchange, from Sunday 2 June until Tuesday 4 June. The sporting and debating competitions conducted this year at Tenison Woods College have a wonderful tradition of impressive skill level, team spirit and fair play. The exchange events will be live streamed so if you cannot make it in person, you will still be able to enjoy the competitions and feel a part of the exchange. The links for the livestream are on the front page of this Newsletter.

Sincere thanks to all parents, staff and students who are involved in preparing for the exchange with Cardijn College, with special thanks to Mrs Kaitlin Egan, Year 7-12 Sports Coordinator, and the Health and Physical Education Team for their coordination of such a significant event on our College calendar.

Parent Connections and Support

Parent connection and mutual support is the hallmark of our College community. This year we are inviting invite parents to join the optional Parent/Carer Year Level Messenger chat groups.

The Messenger chats are intended to support our children through connecting our families by:

- Creating a place of welcome for new and existing families
- Parents supporting parents in navigating the shared journey of parenthood
- Engaging in the shared purpose of supporting our children's development
- Sharing the load of parenthood

- Providing ways of getting involved in the Tenison Woods College and wider community through parent connections.

Please see below the messenger groups for those who wish to connect via the Messenger App and the names of the parent/carers messenger administrators for each year level. The links have been sent to all Junior School families via EdSmart.

Calvary English School Visit 21 July – 9 August

We are excited about the impending visit of our long-time friends Yoko Inoue, Maya Inoue, Sara Inoue and the Calvary English School Delegation from 21 July until 9 August. This visit continues a relationship that extends thirty years, and as with past experiences, our Japanese guests will enjoy a combination of Tenison Woods College classroom lessons with their Australian buddies, and tours of the South East to help our guests experience life in the South East of South Australia and Western Victoria.

We are asking that the 10 students be hosted by Tenison Woods College families. Yolande Langford, our College Homestay Coordinator has forwarded an Edsmart broadcast that has clarified the ages of the predominantly primary and middle school students who will arrive, with a view to matching families with an appropriate student.

Such hospitality, which is complemented by a homestay allowance for families, is greatly appreciated, and I trust the presence of these Japanese students will enrich families and help them vividly appreciate our global community.

Parish Planned Giving Rebate

I remind families that parents contributing to the Parish Planned Giving may claim a rebate from Tuition Fees of 50% of their contribution up to a maximum claim of \$750. Official Parish receipts are to be presented to the Finance Department after the 30 June 2024 for a deduction to be made.

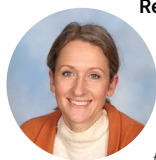

EY-12 Staff Professional Development Days – 6 and 7 June

Early Years to Year 12 Staff are looking forward to the staff professional development days on Thursday 6 and Friday 7 June, when they will devote time to critical literacy and numeracy experiences, supporting diverse learning needs and student agency throughout the school. Furthermore we will be evolving further our wellbeing approach at the school, focusing on coaching students to facilitate agency in the Resilient IMPACT approach.

I trust students and parents will experience the benefits of the days through our service to students and families throughout the College. I remind families that these days are student-free days for the ELCC and the College.

God Bless,
David Mezinec | Principal

Reconciliation Week

The theme for #NRW2024 is Now More than Ever.

Reconciliation Week Prayer.

*Loving God, you desire your people to be one.
Guide us to acknowledge the pains of our nation's past and to
foster healing in word and in action.*

Teach us to respect all cultures.

Teach us to care for our land and waters.

Help us to share justly the resources of this land.

*Help us to bring about spiritual and social change to improve the quality of life for
all groups in our communities, especially the disadvantaged.*

Help young people to find true dignity and self-esteem by your Spirit.

*May your power and love be the foundations on which we build our families, our
communities and our Nation, through Jesus Christ our Lord.*

Amen.

Stationery Drive for Timor Leste- Junior School Initiative

In support, of the Timor-Leste immersion experience and in an effort to make a small difference with great love the Junior School is running a Stationery drive so that we can get stationery packs ready for children in Timor Leste. We will be making packs in snap lock bags, so they are light and easy to take on the plane. Items must be small and brand new (no scissors or sharp objects). Thank you in anticipation of your support for this worthy cause.

Charity Day- Week 8

The Senior School Student Leadership team has been busy with preparations for Charity Day which will take place on Thursday 20 June (Week 8). This is one of the major fundraisers for Timor Leste this term. This will be a casual clothes day. A whole school Mass will take place in the morning, followed by activities run by the Year 12's. At lunchtime, there will be a Timor Leste inspired market with pre-loved, upcycled and repurposed goods to purchase. Please keep your eye out for further information in the coming weeks.

Term 2 Masses in the College Chapel

Mass is celebrated each Thursday of the term and is led by a different year level each week. Mass begins at 9:10am in the College Chapel. All are welcome to join us for these masses.

Upcoming Masses

Week 5 Thursday 30 May - Year 8

Week 6 Thursday 6 June - *Student Free Day* - Mass at St Paul's

Week 7 Thursday 13 June - Year 10

CARDIJN EXCHANGE

SUNDAY 2 JUNE - TUESDAY 4 JUNE 2024

Established in 1987, the exchange is held annually, rotating between Colleges each year.

The exchange was established by the respective Sports Coordinators Dr. Paul Rijken and Robert Doyle.

The three-day exchange will this year be held at Tenison Woods College, showcasing a squad of more than 100 students from both Colleges, from Year 8-11 competing in a range of sports. This includes Debating, Netball, Basketball, Football, Volleyball, Futsal and Touch Football. Fundamentally, the exchange is a unique opportunity that fosters a genuine spirit of sportsmanship, friendship, and excellence.

All sporting events throughout the exchange will be live streamed, giving you the opportunity to watch every minute of the action-packed matches.

Old Scholar & Former Staff Member Marches Out Into Her New Role

Congratulations to Old Scholar and former IT Trainee Georgia Mustey, who completed her Bachelor of Maritime Engineering with Honours in Tasmania at the end of last year. Earlier this month, Georgia marched out as a Sub Lieutenant after completing her officer training in NSW.

Agriculture Classes & Project Recology Collaboration

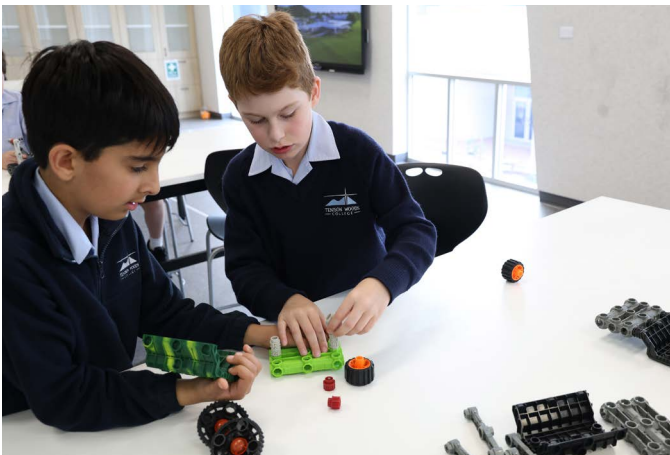

Over the semester the Year 9 & 10 Agriculture classes have looked at animal behaviour, animal handling and yard design.

This has culminated in designing a set of yards that has been developed from the collaborative ideas of students.

There has also been the utilisation of our Project Recology products to promote the ease of handling by blocking the view and guiding the animals in the desired direction. Large recycled plastic sheets were used in this process, made by our in-house project recology centre.

This has complemented perfectly the study of sustainable practices in farming. Both Agriculture classes have been able to put the yards into practical use.

Judy Jenkin & Lewis Lean | Agriculture Teachers

Year 4 & 5 World of Robots Incursion

During Weeks 4 and 5, our Year 4 students were lucky enough to participate in the World of Robotics incursion, where students were set the challenge to create a robot that could kick a table tennis ball at least 9m. Students worked collaboratively and they thoroughly enjoyed the experience.

Junior School Plastic Lid Collection

This term, the MacKillop Building has seen the addition of its very own plastic lid sorting station! Students are encouraged to collect their plastic lids from bottles and jars at home and bring them into the MacKillop Building on the Ground Floor Maker Space, where they can be sorted into appropriate colours. These lids are then taken to the College's Project Recology facility, where they are sorted into density, chipped, and melted, to create sheets of colourful plastic. This plastic has become the go-to material for repairing and revamping furniture all around the College, as well as giving life to students' original creations in enterprise-based classes. We look forward to getting junior school students involved in collecting and upcycling their plastic lids from home!

Mixed Hockey Wrap-Up

Mixed Open Hockey

Last Tuesday, our Open hockey team, travelled to a challenging away match against Naracoorte High School in the mixed open division. The game started with intense competition, as both teams showcased their defensive ability. The first quarter ended in a nil-all draw, with the Titans creating several counter-attacks that kept Naracoorte on their toes.

The second quarter brought an unfortunate incident when our keeper, Lauren Smith, took a direct hit to her face shield. This incident appeared to unsettle the team, and Naracoorte quickly capitalised, scoring four goals in rapid succession. Despite this setback, our team displayed great resilience and determination in the later stages of the half.

In the second half, Tenison tightened their defense and fought back fiercely. The match reverted to a closer contest, with Naracoorte only managing to slip one more goal through in the final minutes of play. Defender Tillie Derrington and midfielder Tyler Collins were instrumental in this effort. Both players demonstrated exceptional skill and leadership, effectively utilising their teammates and playing crucial roles within the defensive 25.

Although the final score was not in our favour, the Titans showed great spirit and teamwork. We applaud them for their effort and look forward to see the students progression in their hockey!

Mixed 7/8 Hockey

The 7-9 Hockey team competed in their knockout tournament on Thursday at Blue Lake Sports Park. The Titans were in a pool against Grant High School, Mount High School, and Naracoorte High School.

To begin the day, their competitor was Naracoorte High School. The game started as a close affair, with our attacking midfielders Archie Olsen and Riley Hoppood getting involved in the game from the first whistle. Their desire for the ball in the first half, allowed captain, Henry Skirving to pester the defending team. Despite Tenison's best efforts, Naracoorte eventually slipped away by scoring a couple of class goals. After conceding, the Titans defence began to tighten. Ollie Williams, Lacey Bullock, and Tahliah Carter all played key roles in shifting momentum and keeping Naracoorte out of their attack. Unfortunately, this shift came too late, finishing the game 5-0 in Naracoorte's favour.

The Titans had a quick turnaround, playing Mount Gambier High School just 15 minutes after their previous game. Although the team consisted of tired legs, many of the students continued to battle out the game. Forwards were given opportunities, with Amy Lubbe and Kayla Shepherd both finding room up forward with the ball. This time forward was created through excellent defence and eagerness to retrieve the ball from Raia Haggis, Taylor Fenton, Chloe Chiesa, and Lachlan Moss. After a solid quarter of hockey, the Titans began to tire out. MGHS began counter attacking against the tired Tenison outfit, scoring multiple goals 1 on 1 with the keeper. The last half was instrumental from Seth Gale and Jack Hutchesson. Seth slotting in a solid goal and keeping the midfield at bay. Jack put in a solid last half to ensure that MGHS did not add to their sizable total in the net. The game eventually finished as a 4-1 win to MGHS.

7/8 Girls Basketball make it to State Championship Round

Our Year 7/8 girls had a successful day in Mount Barker on Friday, beginning with a strong performance against Nazareth. Relentless defense from our girls helped run Nazareth off their feet 52-17.

Next up was Cardijn, and again using full court defense and ball movement our girls were too much to handle 42-27.

Lastly we accounted for St Francis, but not without a decent contest. After being tied at quarter time, our girls showed toughness and adaptability to overcome some skillful St Francis players, winning 47-28. All ten players contributed strongly across day, demonstrating their different talents and togetherness as a group.

The team will compete in the State Championship finals at the State Basketball Centre in Week 9. Well done Girls!!

7/8 Boys Basketball Team Narrowly Missed out on State Finals

The boys faced off against Reynella East in the first game. They played some great team basketball especially on defence and were able to run away with a 50 point win.

In the next game they faced off against St Peters for a chance to finish 1st in the pool. The game was close all game with neither team able to break away until St Peters built a 9 point lead in the fourth quarter. The Tenison boys didn't give up and were able to get it back to 2 points before falling by 4 points.

The loss meant we had to face a very tough team from Cardijn for a chance to make the State finals. We fell behind early 9-0 but a shift of attitude allowed us to get back within 3 points. Unfortunately our shots weren't dropping and the opposition were able to score too easily and we went down by 30 points in a tough loss. It was a great learning experience and eye-opener for the boys against metro opponents.

The boys represented Tenison with great pride and never gave up.

Kaitlin Egan | Year 7-12 Sports Coordinator

Damaged Bank Notes not to be used at the Canteen

Please note: there has been an increased amount of damaged bank notes being used at the canteen. We ask that you please do not send these to the College as the bank will not accept them. Thank you for your understanding.

SAPSASA Football Representatives

Congratulations to the Tenison Woods College representatives at the SAPSASA Football Carnival held in Adelaide this week. It is fantastic to see such great representation from our school in this competition.

Reconciliation Week: Now More Than Ever

In week 5 our class has been learning about National Reconciliation Week recognising Australia's First Nations people and their history. We have been speaking about the need to respect all cultures and all people and have a basic understanding of the history. It is more important than ever to be recognising the First Nations culture and celebrating the fact that many cultures share this wonderful country.

Andy Watt | Year 2 Teacher

Referees Share Their Knowledge

On Thursday afternoon, the 9/10 HPSP Football (Soccer) class were treated to a visit from the local Referees' Director, Eric Driscoll and Vice President, Frank Wilcox. With a focus on officiating and laws of the game this term, the timely presentation helped students understand the world game from a totally different point of view. Eric and Frank shared their combined knowledge of over 30 years in the middle, highlighting via various interactive video clips a range of key laws of the game and the latest interpretations of the handball and offside rules. There was time for questions and the session closed with a very important message that has been put forward by the English Football Association around respecting the officials. We will now undertake the online course covering the initial laws of the game as part of our theory work and hopefully one or two students may take up the whistle in the near future.

David Cole | HPSP Football (Soccer) Teacher

STEAM ART WORKSHOP

On Tuesday, The University of Adelaide visited the College to run a STEAM workshop with students, focusing on the Marine Parks of South Australian, conservation and the application of The Arts to support this.

Students worked with university associates to unpack the local 'Fab Five' protected marine species of South Australia, understand the importance of these species and begun the first stages of creating an artwork that promotes the conservation. They will continue to work on these pieces in their extracurricular studies. Upon completion in August, during the SALA Festival, The Riddoch Arts and Cultural Centre will exhibit the students work, celebrating their creativity, their perspectives and connection to Marine Country.

RECEPTION GRANDPARENTS AND SPECIAL FRIENDS DAY

This term Mirella Prosperi-Porta's Reception students have been learning about their family and their history.

To help consolidate their learning a special Grandparents and Special Friends Day was organised by Deakin University Placement student Courtney Grosser. All children's Grandparents and special friends were asked to bring in a special item, image or photo from their childhood or a significant item that they can share with the children. It was wonderful to see the excitement on all the children's faces and hearing all the beautiful stories. The love and special bond that each child has with their Grandparent and Special Friend is truly special.
