STAGE 2 DRAMA PERFORMANCE 'MURDER ON THE RERUN'

The Stage 2 Drama Production has successfully completed its run of 'Murder on the Rerun,' leaving audiences laughing and the students brimming with excitement. This thrilling play showcased the incredible talent and dedication of our students, who poured their hearts into this performance. The experience was nothing short of wonderful, with each participant growing both as performers and as a close-knit team. Their enthusiasm and hard work shone through, making this production an unforgettable highlight for Drama in 2024. This achievement would not have been possible without the amazing support from both the school and the parents. Their encouragement and assistance provided a solid foundation for the students to thrive. We couldn't be prouder of their achievements and can't wait to see what they bring to the stage next!

Charity Day - Our Commitment to our Sisters and Brothers in Timor-Leste

Tomorrow, we celebrate our annual Charity Day, which will be held on Thursday 20 June. Following a Whole School Mass at 9:00am the College will come together for lots of fun and lots of fund raising.

This year, we are introducing class fundraising goals to help us meet our school-wide goal of \$5,000. We are asking classes to brainstorm a monetary goal that they think is realistic for their class to reach, between \$50-\$100 dollars or the amount of stationery (junior school), each with a personalised intent on how to help people from Timor-Leste, whether it be to feed a family for a week or help a class. As an incentive to students, the home group that raises the most money by Charity Day, will play a special role in our slip and slide event held after Charity Day.

Classes and Year level groups have thought sustainably and will have items for sale at lunchtime that are either upcycled, re-used or re-loved at the lunchtime market stalls. Stalls will include pre-loved books, clothes, toys, upcycling items to create jewellery, running face painting, selling food etc.

The Year 12 cohort look forward to giving back to the College community by providing buddy activities in the Barrie Holmes Stadium throughout the day. These will be free for students to participate in, with their buddy year level.

All money raised will be distributed to the communities that delegates will visit, such as the Bakhita Centre, the Dominican Orphanage and our sister school in Hatolia, San Francisco Xavier College.

Through immersing themselves into the Timorese culture, students will embark on a transformative journey of learning and self-discovery. They will witness the resilience and determination of the communities they visit, gaining a deep understanding of their challenges, but at the same time their appreciation of their precious gift of life. It is hoped that this experience will foster empathy, compassion and an appreciation for cultural diversity and will inspire our students to strive for a more just and inclusive world.

Sacrament of First Holy Communion

This coming weekend, Saturday 22 and Sunday 23 June, fifteen children will receive their first Holy Communion. This is a very special time for these children and their families as they complete the Sacramental Program, which commenced for them in Term 4 last year.

On the day of their First Communion we see our children take the next step in their faith journey, as they share Communion with their Parish Community for the first time. We encourage students, parents and staff of our community along next weekend to support these children. Please also keep these children and their families in your thoughts and prayers.

Saturday Evening

Molly Heesemans, Scarlett Pilven, Chloe Stratford, Oksana Irishura, Joseph Asanga, and Lucy Queale (along with 5 children from our Parish families).

Sunday Morning

Xavier Mugavin, Moe Htway, and David Beaufort (along with 1 child from our Parish families).

Refugee Week 2024 - Finding Freedom: Family

This week we celebrate National Refugee Week. In a world marked by displacement and the search for refuge, this year's Refugee Week theme 'Finding Freedom' – with a focus on family – encapsulates the profound journey of resilience, strength, and unity that defines the refugee experience. This Refugee Week sheds light on the transformative power of familial bonds as well as chosen bonds in the face of adversity and emphasises the crucial role families play in providing solace, support, and a sense of belonging to those forced to flee their homelands.

In 2024, we are encouraged to reflect on the journey of finding freedom, whether it be through a new home, a new career, finding love or friendships. Let us show compassion and celebrate the resilience that makes up parts of our wider community. For freedom should not be an ask, it should be a way of life.

In such a way, Refugee Week unites individuals, communities and organisations from many different backgrounds behind a common cause. The common theme is a reminder that, regardless of our differences, we all share a common humanity.

Parent Connections and Support

Parent connection and mutual support is the hallmark of our College community. This year we invite parents to join the optional Parent /Carer Year Level Messenger chat groups.

The Messenger chats are intended to support our children through connecting our families by:

- Creating a place of welcome for new and existing families
- Parents supporting parents in navigating the shared journey of parenthood
- Engaging in the shared purpose of supporting our children's development
- Sharing the load of parenthood
- Providing ways of getting involved in the Tenison Woods College and wider community through parent connections.

Please see below the messenger links for those who wish to connect via the Messenger App and the names of the parent/carer messenger administrators for each year level.

Year level	Messenger Group Name & Link	Names of Parent / Carers
Reception	TWC Reception Parent Carer Chat	Beth Reid & Shayne Haggis

Calvary English School Visit 21 July – 9 August

We are excited about the impending visit of our long-time friends Yoko Inoue, Maya Inoue, Sara Inoue and the Calvary English School Delegation from 21 July until 9 August. This visit continues a relationship that extends thirty years, and as with past experiences, our Japanese guests will enjoy a combination of Tenison Woods College classroom lessons with their Australian buddies, and tours of the South East to help our guests experience life in the South East of South Australia and Western Victoria.

We are almost there in securing host families for the 11 visiting students. Yolande Langford, our College Homestay Coordinator is matching families with an appropriate student. Such hospitality, which is complemented by a homestay allowance for families, is greatly appreciated, and I trust the presence of these Japanese students will enrich families and help them vividly appreciate our global community.

Parish Planned Giving Rebate

I remind families that parents contributing to the Parish Planned Giving may claim a rebate from Tuition Fees of 50% of their contribution up to a maximum claim of \$750. Official Parish receipts are to be presented to the Finance Department after the 30 June 2024 for a deduction to be made.

Phone Usage While Driving in the School Grounds – one of the FATAL FIVE

I continue to appeal to parents about the discerning usage of mobile phones while driving in the vicinity of the school and on school grounds. Mobile phone usage has been identified by SAPOL as one of the FATAL FIVE (contributing to serious and fatal accidents on our roads).

I remind families that:

- You must not use a hand-held mobile phone while your vehicle is moving or is stationary in traffic (e.g. at traffic lights).
- You may, however, use a hand-held mobile phone while your vehicle is parked.
- A mobile phone may only be used while you are driving to make or receive a phone call, provided the phone is secured in a commercially designed and manufactured mounting device affixed to the vehicle, or the phone can be remotely operated.
- If the phone is used via Bluetooth or a headset or earphones without touching it, holding or resting the phone on your body, you may touch the headset or earpiece to operate the phone.

It is an offence to create, send or look at a text, video or email and to rest the phone on any part of the body.

Using a phone includes:

1. Holding the phone in your hand.
2. Operating any function of the phone.
3. Resting the phone on any part of your body.

These laws apply to drivers and riders of all vehicles. The current fine for using a Hand Held Mobile Phone is \$554 + 92 (Victim of Crime Levy) = \$646 with 3 demerit points.

SAPOL reminds us that 'Good Drivers Just drive' and 'Road safety is everyone's responsibility.'

**God Bless,
David Mezinec | Principal**

Whole School Mass and Charity Day

Tomorrow, we will celebrate Charity Day. Please refer to the broadcast sent home on Friday, 14 June, for details of the day.

Please be reminded that this is a Casual Clothes Day, with money donations being collected by class teachers in homegroup. Students are also invited to bring loose change for the market stalls being held at lunchtime.

We look forward to celebrating Whole School Mass at 9am in the Barrie Holmes Stadium and encourage parent/carers and families to join us.

Sacramental Program- Celebrating the Sacrament of First Holy Communion

Last Sunday, the children from the College and Parish preparing to celebrate the Sacrament of First Holy Communion gathered for their final workshop and preparation session. The children learned about the ministry of altar serving including a tour of the sacristy, a new Junior Sacristan Ministry and created their decorations for the church, as well as practicing how to receive the consecrated host with Fr Peter.

FAITH FACTS

HAVE YOU EVER WONDERED...
what is 'First Holy Communion'?

FAITH FACTS

First Holy Communion is the first time someone receives Jesus' body and blood under the form of bread and wine consecrated at Mass.

This is usually received at a celebration of the Eucharist.

This Sacrament completes the process of full initiation into the Catholic Church which began at Baptism.

Term 2 Masses in the College Chapel

Mass is celebrated each Thursday of the term and is led by a different year level each week. Mass begins at 9:10am in the College Chapel. All are welcome to join us for these masses.

Upcoming Masses:

- Week 8 Thursday 20 June- 9am Whole School Mass (BHS)
- Week 9 Tuesday 25 June 12:45pm - Year 1 Liturgy
- Week 9 Thursday 27 June 9:10am - Year 6 Mass
- Week 10 Tuesday 2 July 11:20am - Year 4 Mass
- Week 10 Tuesday 2 July 12:10pm - Year 3 Liturgy
- Week 10 Tuesday 2 July 12:40pm - Year 2 Liturgy
- Week 10 Thursday 4 July 9:10am - Year 7 Mass

FROM THE PARISH

Family Mass

Along with First Holy Communion celebrations this coming weekend, Family Mass will take place on Sunday 23 June at 11:00am followed by morning tea in the gathering space. We warmly welcome families to join us, especially students from early learning to Year 6.

Parish Retreat

Parish Retreat Day will be held on Saturday, 29th June, from 10.00am until 6.00pm in St Paul's Church and Hall, Penola Rd, Mount Gambier. Theme is "Come and see a man who told me all that I ever did. Can this be the Christ?" (Jn 4:29). There is no charge for this retreat.

The parish will offer morning and afternoon tea. We ask that participants bring their own lunch. Our retreat day will conclude with Mass at 6pm. Afterwards, those who would like are welcome to join us for dinner at a local restaurant to celebrate and share about our day together. Registration forms will be available at church entrances in Mount Gambier, Millicent and Penola. Registrations close on Tuesday, 24th June.

Youth Mass and Youth Group - Millicent- Saturday 22 June

Come and enjoy some food, fun games and faith Leaders Paul and Lana share their experiences in Timor Leste. A great opportunity to be inspired, be generous, grateful and make a positive impact in the world.

Hospitality Incursion

In Week 7, our Academy of Hospitality students were excited to prepare grazing boards for an incursion opportunity for Year 9 Instaworthy classes visiting the Sugarloaf Cafe to complete a Restaurant Review for assessment. What a great opportunity for Academy students to explore industry contexts for assessment and receive feedback on their performance in a real world environment. Students produced three one-metre chocolate fondue platters and drinks made to order - congratulations on stepping forwards to complete this assessment and thanks to the Food Tech students for providing us with a customer base!

Lyla Selected In South Australian Interschool Equestrian Team

Year three student Lyla Woolston has been selected to represent South Australia at the 2024 Australian Equestrian Interschool Championships!

Lyla has competed at the State Championships and other nominated interschool events, proudly representing Tenison Woods College throughout the year.

Lyla will be riding her beloved pony 'Skye' in Primary Preliminary Dressage, Primary Novice Dressage and Primary Show Hunter.

Students from all year levels are eligible to make the State team, and with Lyla only being in year three she is one of the youngest team members.

All the hard work, time, and dedication put into this achievement have paved the way for an exciting future. We look forward to following Lyla's journey, and results at the competition, which is being held from 19 to 23 September 2024 in Tamworth.

Welcome To Our Exchange Students

A warm welcome to these Exchange Students; Soline Mulliez, Adam Zabalawi and Victorien Schouler who are all in Year 10 and joined us at the beginning of this term and are here until the 24 August.

We also have Diane Joanne who is in Year 11. Dianne joined us on 20 April and is departing on 12 July.

Diane Joanne and Soline Mulliez are part of the Students of the World exchange program whilst Victorien Schouler and Adam Zabalawi are part of the Student Exchange Australia New Zealand Program.

Pictured above: Soline, Adam and Victorien.

Historic Stories Of Moorak Homestead

Recently Tenison Woods College and the Moorak Homestead hosted Stuart Hill and descendants of the Hill family for a glimpse of Stuart's next book, *Yahlville*, which describes the history of the Hill family, the significance of their Lincoln sheep and their impact on the Australian wool industry.

We were interested to hear of the significance of the Moorak Homestead and the then owner Dr William Browne in 1862 as the genesis of a very significant era of Australian history. In addition it was wonderful to hear of the contribution that the Hill family and the Yahl community have made to the socio-economic fabric of the South East of South Australia. See Facebook Page for more photos.

Speak Chinese - Eat Chinese

Tenison Woods College Year 7 and 8 Students of Chinese *spoke* and *ate* Chinese at the same time in Week 7, as they believe one cannot speak a language well until he lives the culture behind it. The students made their own Chinese dumplings and learnt to talk about the food with Ms Wu, the preservice teacher working with them, before they sat down to enjoy their creations with Mr Chen's special sauce! This is a celebration of their semester-long Chinese journey. Many students were asking about the China Trip, which Mr Chen is organising for next year, a trip where they will experience much more than eating Chinese dumplings!

Open Girls Soccer Progress to Adelaide Round

Tenison Woods College win 11-1!

In perfect conditions for soccer the Open Girls Soccer squad hosted St Martins in the regional round of the Statewide Knockout Championships.

Led by our year 12 co-captains Lana Shepherd and Isla Dickson the Titans settled into their passing and moving game creating several early chances before Isla Dickson broke through the Saints defence to break the deadlock.

Emmy Jeffrey popped up to make it two not long after and Andi Corfield capped off a solo run to make it three with 20 minutes remaining in the first half. Bella Morello and Alita Heyser were contributing well in the midfield and it was Heyser who found Jeffrey who scored her second before St Martins closed the gap to three at the break.

The second half saw the Titans improve in the final third with Jeffrey finishing the game with four, Isla Dickson and Andi Corfield scoring hat tricks and Lana Shepherd capping a great performance with one.

Well done to the entire squad who played well and showed great sportsmanship. Next up is a trip to Adelaide early next term.

JAM BAND WOWS AUDIENCE

On Thursday 13 June, our R-6 students attended an AMAZING performance by the JAM Band. From appearances of superheroes, Bluey, a genie and even a magician, students were captivated and entertained by these talented musicians. Demonstrations of different instruments were given with students proudly stating their knowledge of each one.

Students were delighted and exhilarated by the costumes that were on display thanks to chosen classmates as they raced through the audience to engage with their friends and teachers.

From 'Holding Out For a Hero' to 'Space Jam' and 'Addicted to Pugs' (just to name a few), there wasn't a song that anyone didn't want to get up and sing and dance to. This was evident by the roof raising finale that was heard in and around the Barrie Holmes Stadium. The Junior School made their presence known!

Music is a joy to take part in and is a space of excitement as was experienced Thursday morning. The music team is overjoyed that everyone had so much fun. We thank the JAM Band for their performance and all the work that goes into preparing both the music and the costumes.

We look forward to their return in 2025.

AG STUDENTS EXPERIENCE SHEARING AND WOOL HANDLING

Our Year 10 Agriculture Students were fortunate to engage in a Shearing & Wool Handling Workshop last week with Josh & Harley from Shearer Woolhandler Training. Harley showed students how to keep the 'board' clean, pick up a fleece, throw a fleece onto the wool table and clean the fleece before placing in the bale. Students then were able to give shearing a go with Josh, assisting in the 'long blow'. All of the students participated and showed great potential. Highlights of the day included the homemade morning tea provided by Mrs Pasin, Mrs Jenkin tackling an escaped ewe who took exception to being caught resulting in a very nice black eye, and of course the students being able to learn a skill with potential career pathways.

LIONS MAD MINUTE COMPETITION

On Friday, June 14, the Year 5 classes showcased their public speaking talents in the much-anticipated Lions Mad Minute competition. The event, designed to cultivate confidence and oratory skills in young students, challenges participants to speak impromptu on a given topic for one minute.

The Lions Mad Minute, a revered annual event, is renowned for its emphasis on spontaneity and eloquence. The competition required each student to present their thoughts coherently and engagingly, all within a tight sixty-second timeframe. This year's topics ranged from whimsical scenarios to thought-provoking questions, ensuring a vibrant display of creativity and quick thinking.

Judges evaluated the students on several critical aspects of public speaking, including eye contact, voice clarity, effective openings and closings, expression, humour, gestures, and overall content. The stringent criteria underscore the complexity of public speaking—a skill that many adults find challenging, let alone young students.

The young speakers impressed the audience and judges alike with their poise and ingenuity. From humorous anecdotes to insightful reflections, each participant brought a unique flavour to their performance, making the competition a memorable event for all involved.

The event concluded with heartfelt congratulations to all the students who participated. Their courage to stand up and speak in front of an audience was commendable, highlighting the importance of nurturing public speaking skills from an early age. The experience not only boosted their confidence but also equipped them with valuable skills that will serve them well in the future.

In a world where effective communication is paramount, the Lions Mad Minute competition continues to play a crucial role in the personal development of young students. The Year 5 participants have set a high bar for future competitions, embodying the spirit of enthusiasm and resilience.

Congratulations to all the students for their outstanding efforts, and a special thank you to the organizers, judges, and supporters who made the event a grand success. We look forward to witnessing more impressive performances in the years to come.

ELCC ATTEND BUNNINGS FOR INTERACTIVE EXCURSION

Throughout this term the children in the McAuley Kindy Room have been exploring their Community through many different play based experiences. They have had visits from many different people who have different roles in our Community and have enjoyed creating many dramatic play areas that highlight their understanding of Community roles and places in our region. On Wednesday, the children went on a very interactive excursion to Bunnings Mount Gambier. Whilst on the excursion they participated in a scavenger hunt, then used their developing fine and gross motor skills to construct their very own animal out of wood, using a hammer and nails to join it together. The children had so much fun learning about the many different job roles at Bunnings and loved their time spent creating and exploring the store.
