WEDNESDAY 24 JULY 2024 WEEK 1, TERM 3

## WE WELCOME TERM 3 WITH AN OPEN HEART AND OPEN ARMS

Yesterday we welcomed back all of our wonderful staff and students including exchange students from Italy, France, China and Japan. We also welcomed 11 students from Calvary English School, Tokyo, who are visiting Mount Gambier for three weeks and will be living with host families throughout their stay. The sun was shining as all existing and new students got to know each other out in the yard and in the class room. We look forward to another exciting term with an 'Open Heart and Open Arms'

# From the Principal

## CESA Community LLL Perception Surveys

By the conclusion of week five of term 3 all Catholic Schools in South Australia will complete the CESA Living, Learning, Leading Perception Surveys. The surveys are a product of a collaboration between Catholic Education SA (CESA) and Curtin University and are focused on the development, validation and use of a system-wide survey to examine the understanding of the vision and extent to which Catholic Education SA's Living Learning Leading Framework is taking place in schools as perceived by students, family and staff.

Each survey has been trialled, refined and piloted in a range of CESA school settings and the development team is confident that schools will derive very useful information for planning and improvement.

## Out of School Hours Care - Eleven years of deliberate care, deliberate learning.

I have been delighted by the response to our OSHC service that has now been servicing our community for eleven years. The attendance at our holiday program was further validation of the carefully prepared program and the commitment to a fun, safe, nurturing and supportive environment, which is reflective of our community's family values.

At this time, I offer appreciation to Sandra Sochacki and the range of staff who offered their service to the OSHC program during the student vacation; which was greatly appreciated by the families of our community.

For further information and bookings contact Jess on 8724 4633 or email [oshc@tenison.catholic.edu.au](mailto:oshc@tenison.catholic.edu.au). You can also visit the OSHC page on our Tenison Woods College website where you'll find more details about the OSHC Program - [www.tenison.catholic.edu.au](http://www.tenison.catholic.edu.au)

## ELCC - Holiday Program

The Early Learning and Community Centre also operated during the student vacation with its stimulating and individualised holiday learning program under Fran Scanlon and Ange Cutting's discerning and passionate leadership.

## Reception Enrolments 2025

I advise parents and caregivers that interviews are well under way for all 2025 Reception Enrolments. We invite parents or caregivers and students to schedule an interview time with Mrs Francesca Dickson, Head of Junior School, to formalise their child's enrolment for 2025. If you have a child who is due to start school in 2025 and have not received a letter, please contact Enrolment Registrar Tracey Davey on 08 8725 5455 who will help you organise this.

## South East Schools Continue Refining the Craft of Leadership

With the experienced support of Dr Stephen Brown, Managing Director of The Brown Collective and graduate from the Harvard program, The Art, and Practice of Leadership, nineteen leaders from Catholic schools in the South East of South Australia completed the Adaptive Leadership course.

The Adaptive Leadership theory developed by Heifetz et.al at Harvard was a direct response to a perceived limitation of leadership approaches to effectively explore and respond to complex, adaptive challenges. The one-day Master provided school leaders from Tenison Woods College, Mary MacKillop Memorial School and St Anthony's Catholic School with the opportunity to further develop their strategic leadership capabilities.

Thank you Stephen – another wonderful course in the South East of South Australia as we continue to build our communal leadership capacity.

**Professional Learning Day**

Early Years to Year 12 Staff enjoyed the staff professional development day Monday 22 July, when they devoted time to a variety of wellbeing, teaching craft, critical numeracy and child safety endeavours. I trust students and parents will experience the benefits of the days through our service to students and families throughout the College.

**White Avenue Safety – Use the Koala Crossing**

Families are finding the best place to pick up their children and I ask if children cross White Avenue, please only cross at the Koala Crossing. Using the Koala crossing offers extra safety, as cars slow down to navigate the narrowed road.

**Parish Planned Giving Rebate**

I remind families that parents contributing to the Parish Planned Giving may claim a rebate from Tuition Fees of 50% of their contribution up to a maximum claim of \$750. Official Parish receipts are to be presented to the Finance Department after the 30 June 2024 for a deduction to be made.

**School Card Support**

Families who would like support to meet school fee commitment are urged to apply for School Card. Eligible school card recipients will receive a 50% discount off tuition fees. School card qualification criteria is outlined below.

For families who meet the criteria (for the taxable year ending 30 June 2024) it is worthwhile and all you have to do is either make an appointment to see the Business Manager Neal Turley for the completion of the appropriate forms or apply online via <https://www.sa.gov.au/topics/education-and-learning/financial-help-scholarships-and-grants/school-card-scheme> if you wish to complete them yourself. If you are applying online, please ensure to select Tenison Woods College not Tenison Woods Catholic School.

## Slava Grigoryan Performing At The College

This is a wonderful opportunity for audiences to hear this astounding guitarist up close and personal.

It has been 17 years since Slava last embarked on a solo tour. This has not been from a lack of desire. He's just been busy, (very busy) writing, recording and performing both in Australia and internationally.

This very special intimate concert sees Slava performing music from his more recent solo releases: *'Bach Cello Suites Vols I & II'* and *'Gratitudes'*.

## Jaimee Smith Shares Apprenticeship Journey

Last Term we dropped in to Barry Maney Ford to visit Jaimee Smith who commenced a Heavy Diesel Apprenticeship over the Christmas holidays and is now six months in. Jaimee emerged from under the huge wheel arches of a very large truck to speak to us!

Jaimee shared with us that she is really happy in her apprenticeship and the workplace, and had just purchased her amazing new tool box which stood about a metre tall. Jaimee has been full-time in the workplace while undergoing blocks of trade training at TAFE SA Mount Gambier.

We congratulate Jaimee on sourcing her apprenticeship and starting with a strong 6 months in the workplace!

## Lillie Paul Undertakes School-Based Traineeship

Year 12 student, Lillie Paul is currently undertaking a school-based traineeship at Millicent SportsPower which she started in late 2023. Lillie will attain a Certificate III in Business which included competencies in writing workplace documents and supporting marketing and promotional activities.

The vocational education completed as part of this traineeship will go towards Lillie's SACE completion and ATAR calculation and has been managed around the remainder of her SACE schooling, personal and sport commitments.

We thank the Denton family who have been wonderful support to many of our students over the years for part-time jobs and school based traineeships like Lillie's, allowing them to learn workplace skills and save up to support themselves financially through university.

Well done to Lillie for juggling all these competing demands and her imminent finalisation of this traineeship!

## NAIDOC Week Recognised at ELCC

Our ELCC Children and OSHC Students recognised NAIDOC Week with a visit from Uncle Ken. Uncle Ken brought lots of interesting Aboriginal artefacts, natural objects like seashells and a Possum puppet! He told some wonderful stories and shared his knowledge. Thank you Uncle Ken for celebrating the history and culture of our First Nations people.

## College Celebrates End Of Term 2

During the last week of school, the college celebrated the end of term with a Whole School Assembly and enjoyed a performance from our Year 3 & 4 Ignite Choir.

Thanks to modern technology, we were able to enjoy prayer from Father Olek along with local students all the way in Timor-Leste!

It was a wonderful assembly acknowledging all of the fantastic achievements throughout the term from music, the arts, sport, sustainability of course our Charity Day in the lead up to the Timor-Leste Immersion Trips.

## Amanda volunteers in Cambodia

It has been a busy school holidays for all! Staff member, Amanda has spent the last couple of years going to Cambodia with 'Cows for Kids' and has again visited this school break.

## Angus Clarke and Harvey Croker Represented SA at AFL Nationals

Congratulations to both Angus Clarke (Yr12) & Harvey Croker (Yr10) who have represented South Australia in the AFL National Championships.

Angus' U18 side secured a win over the Allies in their four-game round-robin series. These championships feature the best young players from across the country showcasing their talent to the country prior to the upcoming AFL National Draft later this year.

Harvey's U16 side ended the championships with a 3-1 win-loss record after their narrow loss to Victoria Country in their final match of the championships.

Tenison Woods College congratulates both boys on this outstanding achievement.

## College To Celebrate Green And Gold Day Next Friday

We are excited to announce that Tenison Woods College will be participating in Green & Gold Day on Friday, 2 August, in support of the Australian Olympic Team. This special day is about turning Australia green and gold and uniting all Australians through the power of sport. Green & Gold Day is for everyone – athletes, fans, businesses, schools, young, old, and everyone in between. Regardless of sporting ability or background, we believe that sport has the unique ability to bring us together. On this day, we encourage all students to celebrate Australia's sporting achievements by adding a touch of green and gold to their school uniform. Whether it's ribbons, socks, wigs, or any other accessory, we want to see a sea of green and gold at Tenison Woods College. Please note that there is no cost involved in participating in this event.

Let's come together and proudly showcase our national colours, celebrating the spirit of the Australian Olympic Team and our collective pride in their achievements. Thank you for your support in making this day a memorable and unifying experience for our students.

## Open Boys & Open Girls Basketball On A Winning Streak

### BOYS RESULTS:

**Tenison Woods College 49** def. St Francis 39

St Francis 57 def. Rostrevor 56

**Tenison Woods College 65** def. Rostrevor 59

**Game 1 vs St. Francis:** The boys started with vigour on the defensive end, limiting St Francis to 4 points in the opening quarter. Despite strong guard play and numerous runs from the opposition, the boys defended as a unit and shot well across the game to maintain the early lead. School captain Teangi Stephens' leadership was unsurprisingly exemplary.

**Game 2 vs Rostrevor:** Rostrevor came out hot and found an early advantage, but the boys weathered the storm and were sublime defensively after quarter time, utilising a switching scheme and rebounding as a pack. Plenty of transition scoring opportunities arose off the good defense, and the boys were also proficient from the 3pt line. There were no standout players in a strong team performance.

The Open Boys team will play in the State Final in Week 4.

### GIRLS RESULTS:

**Tenison Woods College 56** def. St Francis 40

St Francis 51 def. SEDA 35

**Tenison Woods College 55** def. SEDA 17

### Game 1 vs St. Francis:

The girls started slow in this contest showing some nerves and passive play. St Francis shot the ball well and kept the scores close at half time. A stronger mindset going into the second half created some easier scoring opportunities as well as better connection on defence. Ava Collins was the main instigator for the turn of aggression and had an outstanding game.

### Game 1 vs SEDA:

The team was extremely focused for this contest quickly establishing physicality on the defensive end turning stops into transition opportunities down the other end. Ava Collins again started strong and was well supported by the play of Edie Easterby. Poppy Venn and Claire Mitchell both produced on both ends of the court and made Seda's life difficult. A strong team performance.

The Open Girls team still have another round later in the Term.

## Nickolai Greenham Accepted Into South Australian Police Academy
