

Dear Parent/Caregivers

Welcome to Sept/Oct Vacation Care. The OSHC team are looking forward to another exciting Vacation Care Program.

This Vacation care we are having several incursions, first up we have Jobe from Learn to Beatbox. He is a professional Beatbox who has a passion to share his love of beatboxing. There is a cost of \$8.00 per child and a permission slip. Please fill in and return to the staff.

Next, we are lucky enough to have several Ambulance Volunteers bringing in an ambulance and doing some activities with the children and staff. Following this in week 2, we have some CFS volunteers bring in a fire truck to look at. We are very grateful for this opportunity.

We will also continue to have different activities each day, Mud Day has been requested by many children, please ensure that the children have a complete change of clothes, towel and bag to place dirty clothes in.

As it is still cooler these holidays. Please ensure that children are dressed appropriately for the day, especially if we are out and about. Providing your child with a change of clothes is recommended.

Please remember children require a packed recess, lunch, and a water bottle. A hat is also a great idea just in case the UV is high, or the weather is cold.

Kind Regards

The OSHC Team
