WEDNESDAY 5 FEBRUARY 2025 WEEK 2, TERM 1

2024 DUX AND ACADEMIC AWARDS CEREMONY

The College was thrilled yesterday to welcome back some of last year's Year 12 graduates for the 2024 Dux and Academic Awards Ceremony.

Many of our newest 'Old-Scholars' who saw out year 12 attaining outstanding ATAR results, attended the College's first Whole School Assembly for the year, where as a community, we had the opportunity to congratulate them and present those in attendance with a certificate of recognition.

We also recognised the 2024 Years 7-11 students whom achieved excellent academic results last year.

Our 2024 Dux of the College, Max Patzel was also presented with a special medal honouring his achievement.

From the Principal

Recognising Achievement and Excellence in 2024 - Dux and Academic Awards Assembly

Yesterday, Tuesday 4 February, our College community gathered in the Barrie Holmes Stadium at 9.00am for our Dux and Academic Awards Assembly. During the assembly we celebrated the achievements of our 2024 Year 12 students with their outstanding SACE results and also acknowledged our Middle and Senior School Academic Achievers.

2025 R-12 Parent Welcome and Information Evening – It's About Building Relationships

A significant way in which parents can support the learning of their children and adolescents is by attending the R-12 Parent Information Evening on Thursday 13 February. Parents will have a chance to meet our teachers, learn about the teachers' hopes for the year, and hear about the classroom processes that will ensure learning is achieved in the best possible way. Parents also have an opportunity to meet informally the Leadership Team of the school and ensure that we commence

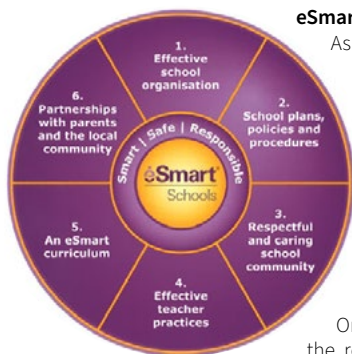

the journey of serving your child's individual needs in a deliberate manner. Please see poster with all the details, featured in this Newsletter.

Beginning of Year Whole School Liturgy – Hope Lights the Way in 2025

We look forward to Thursday 20 February and our Opening Whole School Liturgy at Marist Park. The liturgy, which commences at 9:00am will assist us to reflect on the College theme for 2025, "Hope Lights the Way."

This year we are invited to reflect on the theme "Hope Lights the Way." Pope Francis has declared a Jubilee Year with the theme "Pilgrims of Hope." Jubilee Years are times of renewal, repentance, and celebration of God's mercy. We honour in a Jubilee Year the Church's call for a journey of faith, hope, and renewal for individuals and our community.

Don't forget your hat and sunscreen!

eSmart School – Smart. Safe. Responsible.

As a school community we are an accredited eSMART Alannah and Madeline Foundation school community where the smart, safe and responsible use of communications technology is the norm.

The essence of the eSmart approach is outlined left.

One of the aspects of this process is the review, analysis and updating of our ICT policy and User agreements. These updated policies are available on the school website.

We also have an area of the SEQTA Portal @TWC dedicated to eSmart, including information for parents and the wider school community. This Cyber Safety Hub can be located by following this link: <https://teach.tenison.catholic.edu.au/portal/914d3df1-69ba-4436-a566-f1da68b23faf>

I am delighted that Tenison Woods College is an eSmart School and I look forward to our continuing commitment to the highest possible level of ICT innovation that is complemented by safe and responsible use of ICT.

Caring for One Another – Road Safety In and Around Our School

Following on from the theme of helping one another, I remind families of the importance to monitor their speed and adjust it accordingly as they approach the school on Shepherdson Road and White Avenue in the interest of safety for all, but particularly our young. I also remind students to utilise the various designated crossing areas which are monitored by our staff. Crossing the roadways at other areas adds to the danger for our young but also increases the difficulty for drivers in the area. Speed within the school site is 15km per hour.

Working Bee – Saturday 15 February

I remind families of our first Working Bee on Saturday 15 February.

The three significant focus areas will be:

1. Barking of our play areas around the MacKillop Junior School and Early Learning Centre.
2. Tidying the front indigenous garden.
3. Planting in the front swale area.

The Working Bee will commence at 8.00am. Morning tea and refreshments will be supplied with a BBQ available from 10.00am. For those able to assist on the day we ask that you please register [here](#).

Please bring any gardening equipment you think could be of use: gloves, shovel, rakes, wheelbarrow, even your ute.

SunSmart Approach

Australia has one of the highest rates of skin cancer in the world, with two in three Australians developing some form of skin cancer before age 70. Melanoma is one of the most commonly diagnosed cancers in Australians aged 15–29, yet most skin cancers can be prevented by using sun protection measures at appropriate times of the year. The sun’s ultraviolet (UV) radiation is the major cause of skin cancer. UV damage accumulated during childhood and adolescence is strongly associated with an increased risk of skin cancer later in life. Given school hours fall within peak UV periods of the day, we have moved to a comprehensive policy will assist schools to adopt healthy UV practices.

Our SunSmart policy is a critical dimension of our duty of care as a College community. Our procedures such as wearing the College hats and sunscreen will be enacted according to the sun protection times forecasted by the Bureau of Meteorology for when the UV levels that are predicted to reach 3 or higher. Students will be notified during daily pastoral care about the need to wear their hat, and sunscreen will be supplied in the classroom. We encourage all students to leave their hats at school.

God Bless,
David Meziniec | Principal

Year 12 Retreat

The 2025 year began with the Year 12’s spending 3 days at Kangarooie Camp in Princetown. The retreat theme was, ‘The Road of Life.’ Students and staff worked in both large and small groups discussing, praying and reflecting

on the priorities in their lives during this final year of schooling and where the future might take them. They also enjoyed getting to know one another better and participated in some fun activities organised by the camp staff.

A highlight of the retreat was having Fr Olek join us Wednesday afternoon and Thursday. We thank him for making the retreat a priority in his busy schedule. The Year 12’s have now returned to school and we wish them well for the year ahead.

Term 1 Masses in the College Chapel

Mass takes place every Thursday at 9:10 am in our school chapel, with a different year level preparing for and attending the Mass each week. We welcome family and community members to attend. The upcoming roster is:

- Week 2 Thursday 6 February Year 9**
- Week 3 Thursday 13 February Year 8**

FROM THE PARISH

Parish Picnic Day this Sunday

The Parish Picnic Day will take place on Sunday 9 February in the Deanery Garden of St Paul’s Catholic Church following the 11am Mass. Judging by its success in the previous years, it promises to be a great day with delicious food and great company. It’s a wonderful opportunity to welcome many new parishioners and to renew friendships. Please bring along a plate of food to share, a hat and a picnic chair or blanket.

Youth Ministry Mass and Youth Group

The next Youth Mass will be held on Saturday 15 February. The ministries at this Mass are led by young people from the College and the parish. We are hopeful that of some students may offer their musical talents this year. Please contact either me or Chris Lloyd if your child would like to be involved in offering their service as a reader, musician, altar server, data projectionist, or partake in the offertory procession.

The monthly Youth Mass is followed by a Youth Group dinner, activities and discussion. Students in Year 7 and above are encouraged to attend. Please register interest with Matthew Glynn glynm@tenison.catholic.edu.au to ensure you receive information about upcoming Youth Group events.

SWIMMING CARNIVAL - TUESDAY 11 FEBRUARY

Despite high forecasted temperatures, the College Years 7-12 Swimming Carnival next Tuesday is still going ahead! We are looking forward to seeing a lot of House spirit and everyone getting involved – with novelty events in and out of the pool on offer, there is something for everyone!

Rural bus students will be dropped to the Wulanda Recreation and Convention Centre and collected as part of their usual bus transport. City bus students and local students will need to arrange their own form of transport to and from the Wulanda Recreation and Convention Centre.

ALL students will need to be marked off on the roll by their Homegroup teacher before entering the Centre by 8.35am and will not be permitted to leave until 3.20pm. No student will be given permission to leave the Centre prior to 3.20pm unless parents themselves are present to escort their child.

There will be a sign in/out table at the outdoor entrance.

Should a student be ill or injured and unable to attend the day, an email to their Pastoral Care teacher or a phone call from parents to the absentee line must be made. If students are unable to swim, the College encourages them to attend as an enthusiastic spectator or participate in the novelty events.

Students are reminded to be sun smart: hats, sunscreen and a t-shirt or rash vest are compulsory. There will be extra shaded areas available to help everyone as cool as possible.

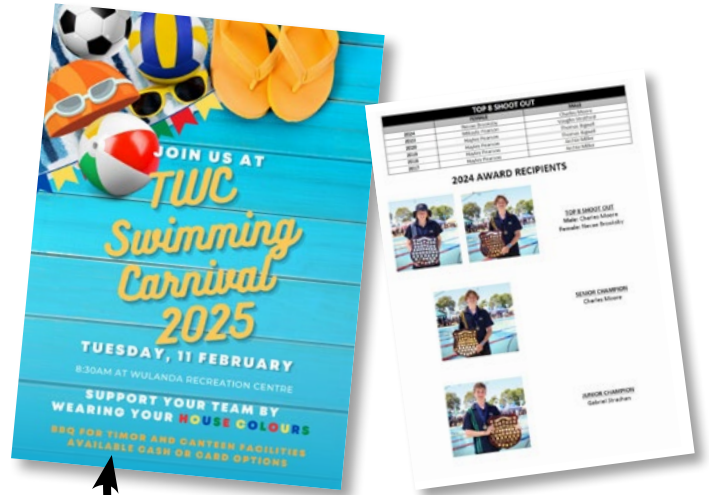

Wulanda Canteen facilities will be available. Please make sure your child has cash or a physical bank card to align with the schools phone policy. No cards are phone are to be used.

We encourage students to develop Founder Team spirit and support the day by dressing up in their House colours or by bringing banners and other support items. If students are unable to dress in their house colours, their Tenison Woods College sports top is to be worn.

YEAR 12 RETREAT TO KANGAROOBIE

Our Year 12 students embarked on their annual Retreat to Kangarooobie in Princetown, Victoria last week. Upon arrival, students enjoyed sightseeing on their way to camp, reflecting, meditation, rock painting, a session from Fr Olek on the importance of prayer and relationships, making a cohort mandala and much more. The next day of the retreat saw students focus on the now and the future on 'The Road of Life,' through exploring deepening connections and community. Father Olek celebrated morning Mass with us and later led students to unpack the school theme for the year ahead by exploring hope as a virtue. Staff leading the retreat shared their personal experiences of community to support the Year 12 students to reflect on uniting as a cohort this year. Team-building activities followed later in the afternoon, and the evening included receiving special messages from loved ones and sharing affirmations with each other, strengthening their bonds.

A special mention to Violet Davis (not pictured), 2024 Year 3 student who competed in the 'Battle of the Stars' as one of the top 2 junior dancers, receiving runner up Dancer of The Year.

TRAFFIC FLOW AROUND THE COLLEGE

As we welcome everyone back to Term 1, we bring to your attention parking and traffic flow reminders. These changes have occurred to spread the flow of traffic around the school and maximise the ability for buses to outlying regions to leave to school in the most effective way possible.

Clear signage is in place in all areas and must be followed at all times to ensure the safety of children and efficiency of traffic.

- Parking in Marist Park grassed area is open. The entrance to this area is from Shepherdson Road. All parents and students using this area must use the monitored crossing adjacent to the Front Office to cross the driveway.
- The parking area behind Gilap Wangā learning community can now be accessed via White Avenue entrance with a left turn now allowed from the ring road.
- The road behind Gilap Wangā learning community is now 2-way – please drive slowly as the road is narrow in parts.

Please also be reminded of the following rules that are already in place:

- The driveway from Shepherdson Road is two way and NO overtaking is permitted
- The MAXIMUM speed limit on all roads within the College is 15kmph
- Both Kiss and Drop areas (Shepherdson Rd and White Avenue) are continuous flow areas and are not to be used for parking and waiting. If your child is not there when you arrive there please continue to a park or do another loop until they are ready.
- All children crossing internal and external roads must do so at the supervised crossings where they are available. Please have this conversation with your child and do not call them across a road to a parked car.

As we are enjoying fantastic summer weather, we highly recommend parking along Shepherdson Road and encouraging students to arrive and depart school grounds utilising the sealed pathways and supervised school crossing. The Rail Lands sealed walking path also provides numerous entry and exit points for students to walk or ride to school and utilise the Shepherdson Road school crossing which is supervised in the morning and afternoon.

Let's work together
to keep everyone safe!
